

SAFE HAVENS FOR CHRISTIANS

Syrian and Iraqi Christians are now urgently fleeing the killing fields of Islamic State territory. We call upon our political leaders to welcome them and aid their escape from terror, torture and killing.

We, the undersigned, call upon our governments:

1. To work with governments in the Middle East to provide and support secure areas for displaced Christian communities that have fled from violence and persecution.
2. To welcome Christian refugees and give them priority as asylum seekers. We urge our politicians and leaders to recognise that Christians are especially targeted and uniquely in need of safe refuge.
