Support an evangelist or pastor

“Whoever believes in me, as Scripture has said, rivers of living water will flow from within them” (John 7:38)

Join Living Streams and you will become part of a continuous life-flow helping Christians living with pressure and persecution around the world.

A far-reaching way to do this is to support a pastor or evangelist in their ministry. Your support will help to extend the Kingdom and build up God’s people in places of persecution and pressure. Suffering Christian families are inspired with the hope and the strength to continue in their faith and new converts are taught and discipled in the ways of the Lord.

Your monthly gift will support a pastor or evangelist serving faithfully, despite hardship and hostility, in their own country or people-group.

Yohanes and his wife Pujiati are church-planting in Indonesia. They have started ten congregations in the last ten years. When Islamists forced their church building to close, they refused to give up and renovated another building for the new believers. Yohanes earns some money as a taxi-driver and Pujiati farms chickens. But this is not enough for all the living costs of the family, so Barnabas Fund is helping them out, until the new churches are strong enough to support Yohanes and Pujiati fully.

Yesse, a pastor from Tanzania (centre) was struggling to feed his family, doing what casual work he could find. His congregation is just too poor to fully sustain his ministry. Pastor Yesse reports that, thanks to support from Barnabas, he can now focus fully on his church activities and his congregation is growing.

Last year, Barnabas helped to support 415 pastors and 65 church-planters and evangelists sharing the Gospel and strengthening the faith of God’s people in 19 countries, mainly in Asia, Africa and the Middle East.

Your regular monthly gift of £30 could help maintain a pastor, church-planter or evangelist, enabling him to continue his essential ministry in situations of poverty and persecution. You can also be a part of the Living Streams.
