To be a Daniel

Learn to give your all to Jesus
To face the mocking
Of those around.
God's the strong one
Pray and sing His mighty praises!
To be a Daniel
Stand your ground!

To be a Daniel
Used by God to dream His purpose
To tell the truth that
Others don't hear.
He gives armour
He'll protect your Godly actions.
To be a Daniel
Do not fear!

To be a Daniel
And to read the secret writing
Our days are numbered
Don't live to sin.
God brings judgement
See His love will cleanse and heal you.
To be a Daniel
Live to win!

To be a Daniel
Entering a den of lions
Condemned to suffer
God's cause to serve.
Cry deliverance
Ready for His mighty wonders!
To be a Daniel
Hold your nerve!

*Praise God in heaven
He's wise and wonderful
With power o'er all things
Wind, rain and sun.
He gives power
Lights up every secret hour.
Praise God in heaven
Strengthening One.*
